

JAMI PELLEGRINO

GRAPHIC DESIGN/PHOTO/VIDEO

Mostly self taught, I made myself very capable in many fields of digital content production. I grew up in Southern California (Westlake and Simi Valley) and have traveled the continent creating content for both small & large companies.

WORK EXPERIENCE

2010-2014 BTO SPORTS // Marketing, Video & Graphic Design

This included me solely filming and editing videos/commercials in the Motocross/Offroad industry (some of which were aired on ESPN National Television)

I was also responsible for the website maintenance, advertisements, campaigns, designing all of the team apparel, vehicle vwraps, and company apparel.

2012-CURRENT GENRIGHT OFF ROAD // Marketing, Video & Graphic Design

Very similar to my job duties at BTO Sports, I handle the website, graphic design, ad campaigns, vehicle wraps, video, and photography work.

I have plenty of background freelance work, including Rockstar Energy, Falken Tire, Monster Energy, and more.

I am very capable in all of the following platforms:

- Adobe Illustrator
- Adobe Photoshop
- Final Cut Pro
- Adobe Lightroom
- Mailchimp e-mail marketing
- BigCommerce
